

Consent for Artificial Insemination with Donor Semen.

We, _____
and _____, being husband and wife and both of
legal age. Authorize Dr. _____ to inseminate the
wife artificially with the semen of a donor (registration no. _____: obtained
form _____ semen bank) for achieving conception.

We understand that even though the insemination may be repeated as often as
recommended by the doctor there is no guarantee or assurance that pregnancy or live
birth will result.

We have been told that outcome of pregnancy may not be the same as those of the
general pregnant population, for example in respect of abortion, multiple pregnancies,
anomalies or complication of pregnancy or delivery.

We declare that we shall not attempt to find the identity of the donor. We
recognize that the child will have the right to know the identity of his/her biological
father when he/she reaches the age of 18.

I, the husband, also declare that should my wife bear any child or children as a
result of such insemination (s), such child or children shall be as my own and shall be my
own and shall be may legal heir (s).
