

Consent for artificial Insemination with Husband's Semen

_____ and _____
_____, being husband and wife and both of
legal age. Authorize Dr. _____ to inseminate the
wife artificially with the semen of the husband for achieving conception.

We understand that even though the insemination may be repeated as often as recommended by the doctor there is no guarantee or assurance that pregnancy or live birth will result.

We have been told that outcome of pregnancy may not be the same as those of the general pregnant population, for example in respect of abortion, multiple pregnancies, anomalies or complications of pregnancy or delivery.
